History & Description

The Catechesis of the Good Shepherd is an approach to the religious formation of children, 3 –12 years of age, based on the conviction that God and the child are in relationship.

Inspired by Montessori methodology, this approach had its start in 1954 when Sofia Cavalletti, a scripture scholar, and Gianni Gobbi, a Montessori educator, founded the Good Shepherd Atrium in Rome.

The Level I course is the foundation for all three levels of the Catechesis of the Good Shepherd program.

In the Level I Course you will:

Explore the religious nature and vital needs of the 3-6 year old child.

Experience the method and guiding principles of the Catechesis of the Good Shepherd.

Broaden your ability to observe and learn from children as you listen with them to scripture, deepening your enjoyment of God's presence.

Receive guidelines and assistance in preparing the atrium environment, and in making your album of work and presentation materials.

Meditate on all the scriptural and liturgical themes presented to the 3 –6 children allowing you to deepen your relationship with God in Christ.
